Foreword

We, the Seniors of 1954, present this volume of the REG-O-ALA to serve as a memento of your years at E.M. Holt and with the sincere wish that it will recall the many cherished memories of your school days. Our class motto, "We're not at the top, but climbing," inspired us to choose as the theme for this book, "The Steps By Which We Climb." We feel confident that if we constantly strive to reach the goals we have set before us, we shall some day reach the top of the steps.

Curriculum

Our classroom,

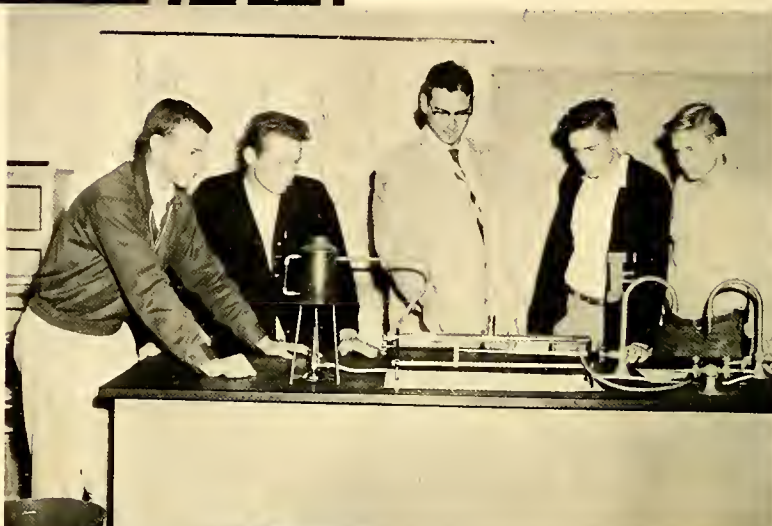

HOME ECONOMICS

The Home Economics curriculum includes courses in cooking, sewing, family relations and home planning. The students in this cooking class are eating the breakfast which they have prepared.

SCIENCE

The Science Department offers courses in general science, biology, chemistry and physics. Here a physics class is making an experiment.

CLASSROOM

Even Seniors sometimes find it hard to give their undivided attention to the teacher. These boys have found things a little more interesting at the back of the room, which is typical of many classes. As you know, "All work and no play makes Jack a dull boy."

TYPING

Any student wishing to enter office or secretarial work as a vocation will find excellent preparatory courses in typing, shorthand, office practice and general business.

SHOP

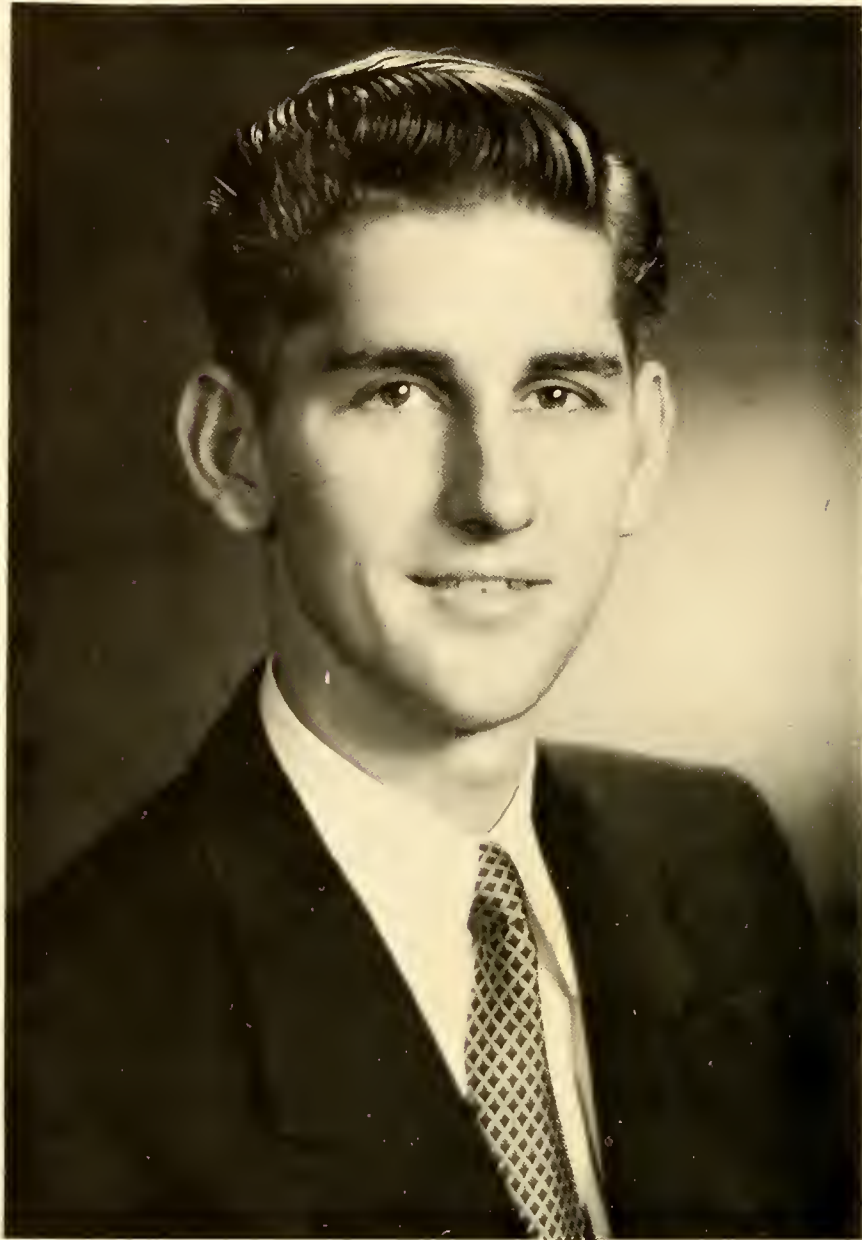

Boys interested in farming and shop work find that a course in Vocational Agriculture is helpful. In addition to studying better farming methods, they learn to make many useful items.

PHYSICAL EDUCATION

The Physical Education and Health class combines health study and physical activities to help us build for good health. Basketball, softball, volleyball and calisthenics are enjoyed by all.

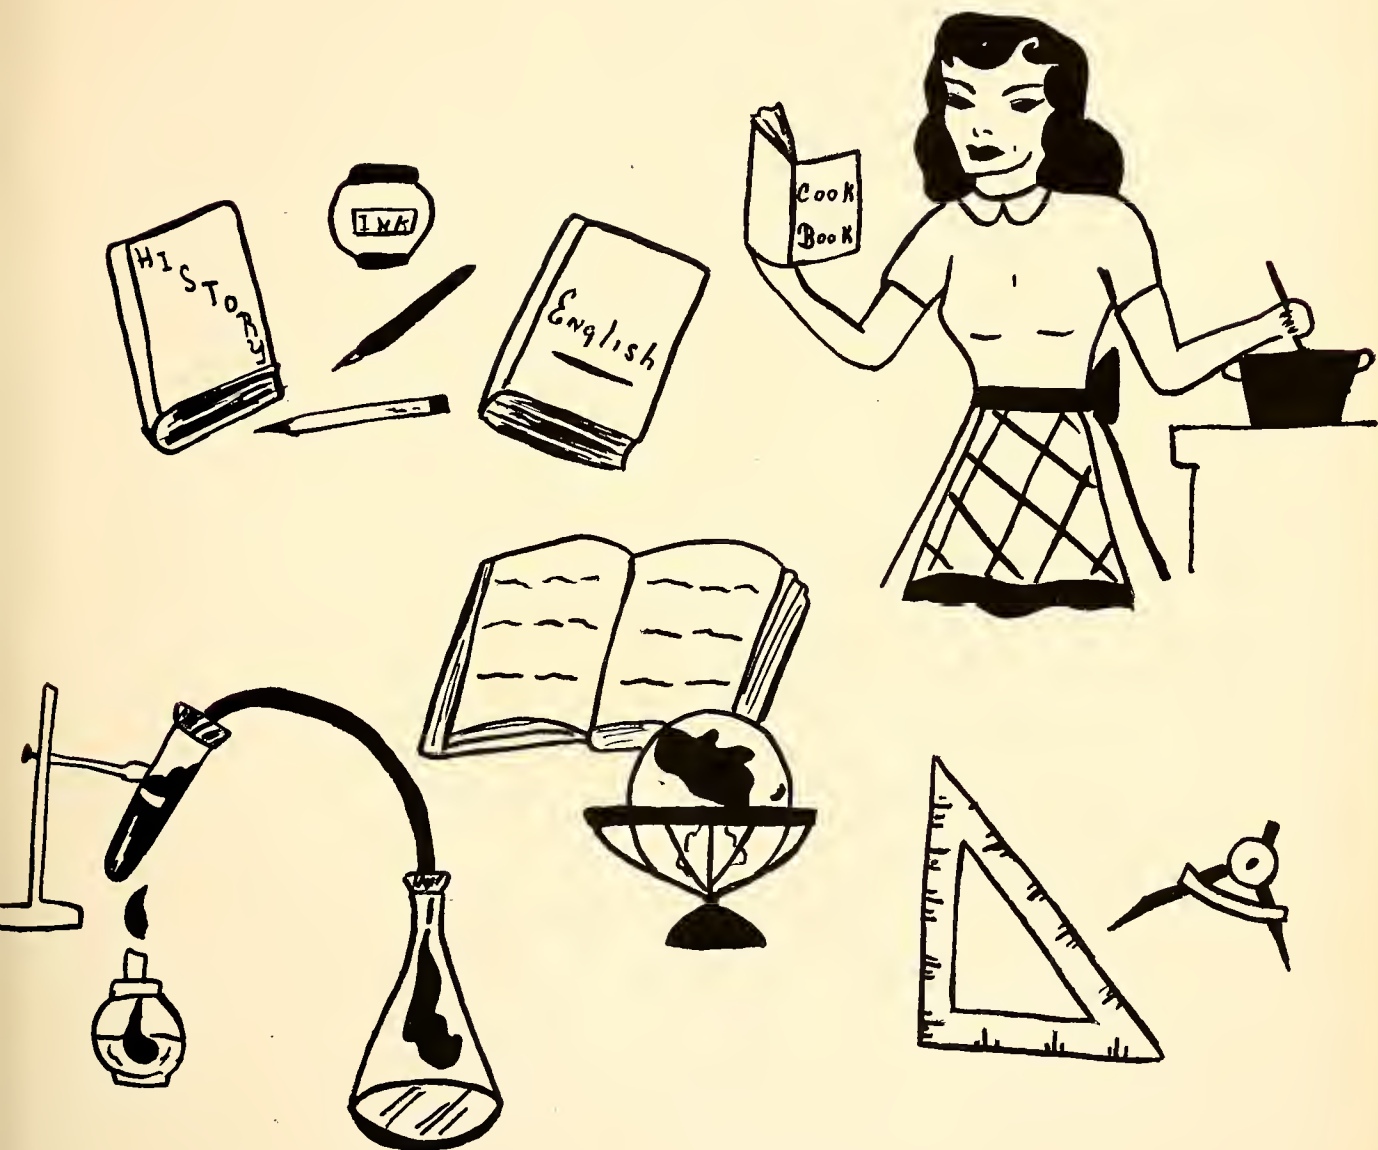

Dedication

With gratitude and appreciation, we, the seniors of 1954, dedicate our REG-O-ALA to our teacher, yearbook adviser, and friend, Mr. Frank E. Litaker. May he feel sure that by his unselfish attitude and his willingness to help us with any problem, he has attained for himself the respect and good will of everyone.

Classes

Left to right: EVERETTE MINCEY, *Vice-President*; BILLY SLAUGHTER, *Treasurer*; EVELYN PHILLIPPIE, *Secretary*; CHARLES TURNER, *President*.

Motto: We're not at the top, but climbing.

Class Colors: Blue and White

Flower: Rose

With three successful years behind us, and realizing the future holds many successful years, we entered our senior year with confidence, courage, and determination. Our senior year was filled with various activities: Electing class officers, REG-O-ALA Staff, Mascots, and Superlatives; Senior Day, Parties, Senior Play, May Day, Junior-Senior Banquet, Senior Banquet, Examinations, and finally our hope of the past

years—Graduation. We have enjoyed being together and working together these past twelve years. As we go on through life climbing to higher success, we will be especially grateful to our parents, and to the friends and faculty at E.M. Holt School who have encouraged us along the way, and taught us knowledge and understanding.

We, the Juniors, following in the footsteps of our Seniors, conducted a very successful magazine subscription sale, which will sponsor our trip to Washington and our Junior-Senior Banquet. These events, along with receiving our class rings, are anticipated by every Junior, and are long remembered. We feel that we have

contributed much to the leadership of our school. We have Ronald McCarter as Vice-President of the Student Council, and Associate Editor of the REG-O-ALA, Norma Jean Arey as Associate Editor of the *Trumpet* and representing us along with J. C. Fogleman in the Student Council.

The team won 9 games while tying 1 and scoring a total of 287 points with the opposition scoring only 32 points. This gave an average of 28.7 to 3.2 per game.

Walkie Hanford was the leading county scorer with 103 points. Billy Slaughter, Max Fogleman and Jimmy Ward were the other

top scorers of the team. The team coached by Richard "Bud" Phillips was perhaps one of the best in the state.
